

Tyler Technologies Named to “Best Places to Work in Maine” List for 11th Year

Tyler recognized among 23 other companies in Large Employer Category

YARMOUTH, Maine (Oct. 15, 2019) – [Tyler Technologies, Inc.](#) (NYSE: TYL) has been named to MaineBiz’s “[Best Places to Work in Maine](#)” list for the 11th time since 2007. Tyler was ranked in the “Large Employer Category,” which includes companies having more than 250 U.S. employees.

“We’re honored to once again be recognized as a top workplace in Maine,” said Kelley Shimansky, chief human resources officer for Tyler. “Our team takes great pride in living and working in Maine, where Tyler’s strong culture underscores our dedication to our employees and the public sector clients that we serve.”

This year, 100 businesses made the list, the most ever in the annual award program’s 14-year history. Tyler joined leading Maine employers representing various industries including finance, technology, healthcare, construction, and marketing. Tyler has more than 800 employees in Maine across its offices in Bangor, Falmouth, and Yarmouth, where the company's ERP & Schools Division is based.

Tyler's recognition follows a thorough company assessment managed by Best Companies Group, which gathers information from all registered organizations including employee benefits, workplace policies, and employee responses to a comprehensive satisfaction survey.
