

Tyler Technologies Named Finalist in 2019 Best of Lubbock Awards

Tyler recognized in two categories in annual awards program for Lubbock, Texas

LUBBOCK, Texas (Nov. 12, 2019) – [Tyler Technologies, Inc.](#) (NYSE: TYL) announced that it has been named a finalist in two categories, Best Workplace and Best Computer Business Technology, for the 2019 Best of Lubbock Awards program by the Lubbock Avalanche-Journal.

“We’re proud to have a positive reputation in the Lubbock community, both as a great place to work and as a strong technology provider,” said Dane Womble, president of Tyler’s Local Government Division. “Our team members are passionate about their jobs, and we work hard to maintain an excellent culture. We’re humbled to once again be recognized by the Lubbock Avalanche-Journal.”

Each year, the Lubbock Award Program identifies companies that it believes have achieved exceptional marketing success in their local community and business category. These are local companies that enhance the positive image of small business through service to their customers and Lubbock’s community. The winners of this year’s awards program were determined based on the information gathered both internally by the Lubbock Award Program and data provided by third parties.

More than 250 employees work in Tyler’s Lubbock office, home to its Local Government Division. Tyler has more than 5,000 employees and approximately 30 offices across the U.S. and Canada.

About Tyler Technologies, Inc.

Tyler Technologies (NYSE: TYL) is the largest and most established provider of integrated software and technology services focused on the public sector. Tyler’s end-to-end solutions empower local, state, and federal government entities to operate more efficiently and connect more transparently with their constituents and with each other. By connecting data and processes across disparate systems, Tyler’s solutions are transforming how clients gain actionable insights that solve problems in their communities. Tyler has more than 21,000 successful installations across 10,000 sites, with clients in all 50 states, Canada, the Caribbean, Australia, and other international locations. A financially strong company, Tyler has achieved double-digit revenue growth every quarter since 2012. It was also named to Forbes’ “Best Midsize Employers” list in 2018 and recognized twice on its “Most Innovative Growth Companies” list. More information about Tyler Technologies, headquartered in Plano, Texas, can be found at tylertech.com.
