

Tyler Technologies Named to Forbes Best Employers for Diversity List for 2020

Tyler ranked 179 out of 500 companies on annual diversity list

PLANO, Texas (Feb. 4, 2020) – [Tyler Technologies, Inc.](#) (NYSE: TYL) was recently named to the [Forbes Best Employers for Diversity](#) list for 2020. The list recognizes 500 companies for their representation of diversity in their U.S. operations. This year marks Tyler’s second consecutive year to be included on the list.

“We’re proud to be named as a top employer that supports diversity in our offices,” said Lynn Moore, president and chief executive officer for Tyler. “Acceptance and inclusiveness are important attributes of our company culture, and we work hard to make sure our nearly 5,500 employees feel supported, inside and outside of the office.”

The list was compiled from an independent, anonymous online survey conducted by Statista that is based on a sample of 50,000 American employees working for firms or institutions with at least 1,000 employees. Respondents were asked to rate their organizations on diversity criteria such as age, gender, ethnicity, disability and sexual orientation equality, as well as that of general diversity.

Out of tens of thousands of qualified organizations in the United States, 500 companies earned this noteworthy distinction.

About Tyler Technologies, Inc.

Tyler Technologies (NYSE: TYL) provides integrated software and technology services to the public sector. Tyler's end-to-end solutions empower local, state, and federal government entities to operate more efficiently and connect more transparently with their constituents and with each other. By connecting data and processes across disparate systems, Tyler's solutions are transforming how clients gain actionable insights that solve problems in their communities. Tyler has more than 26,000 successful installations across more than 10,000 sites, with clients in all 50 states, Canada, the Caribbean, Australia, and other international locations. A financially strong company, Tyler has achieved double-digit revenue growth every quarter since 2012. It was also named to Forbes' "Best Midsize Employers" list in 2019 and recognized twice on its "Most Innovative Growth Companies" list.
