Plains All American Pipeline, L.P. Announces Third Quarter 2000 Results

(Houston – November 6, 2000) Plains All American Pipeline, L.P. (NYSE:PAA) today reported net income before special items of \$13.3 million, or \$0.38 per unit for the third quarter of 2000. Including the effects of a \$6.6 million charge related to litigation and a \$2.1 million noncash incentive compensation charge, the Partnership reported net income of \$4.5 million, or \$0.13 per unit. This compares with a net loss in the third quarter of 1999 of \$60.1 million, or \$1.88 per unit.

The Partnership noted that the \$6.6 million charge includes costs related to the previously announced settlement of class-action litigation, and is based on an estimate of the allocation between the Partnership and Plains Resources Inc. of the costs related to such settlement. Such allocation is currently under review by special committees formed for such purpose by the respective Boards of Plains All American Inc. and Plains Resources.

Third quarter 1999 results have previously been restated to reflect the impact of the losses resulting from unauthorized trading activities discovered by the Partnership in November 1999. The restatement reduced net income for the third quarter of 1999 by \$72.3 million, or \$2.26 per unit.

Earnings before interest, taxes, depreciation, amortization and other noncash expenses ("EBITDA") for the third quarter of 2000 was \$25.1 million and cash flow from operations (net income plus noncash expenses) totaled \$18.6 million. These amounts compare with EBITDA of \$25.4 million and cash flow of \$18.6 million recorded for the third quarter of 1999. These comparisons exclude the litigation settlement and the 1999 unauthorized trading losses.

Total gross margin for the third quarter of 2000 was \$32.6 million, compared to \$33.3 million for the third quarter of 1999. Gross margin from gathering, marketing, terminalling and storage increased to \$20.7 million during the 2000 quarter, compared to \$17.8 million during the 1999 quarter. Gross margin from pipeline activities was \$11.9 million during the third quarter of

2000 compared to \$15.5 million in the 1999 quarter. Such operating comparisons exclude the impact of the unauthorized trading losses from third quarter 1999 results.

"We are pleased to report another quarter of strong operating results and solid coverage of the Partnership's cash distribution to its limited partners" said Greg L. Armstrong, Chairman and Chief Executive Officer. Armstrong noted that the Partnership recently declared a quarterly distribution of \$0.4625 per unit, payable on November 14, 2000, to unitholders of record on November 4, 2000. The distribution represents \$0.0125 per unit more than the minimum quarterly distribution of \$0.45 per unit specified in the Partnership Agreement.
